S i r,

I am in receipt of your post card No.Nil dated 9-9-50 quoting therein the previous reference of your letter No. Som/50/dated 24-8-50.(This letter is not received by me)

Here in Bombay I have tried my best to get myself admitted in the City L.Hospital as an in-patient. As the Authorities are unable to keep me in the hospital as an inpatient, I am having the treatment as an out-patient, and having injections etc., regularly.

As there is nobody to look after me at my native place and after geeting worried about my lively hood, I have come over to this place. Here an old friend of mine is helping me about my food and clothing. His income being very limited it may not be possible for him to feed me with diets which I want.

For the last four or five months I am in a desperate condition as I have no means left with me for my living. I am not in receipt of the extraordinary pension, though I have applied for the same long time back, neither the Benevolent Fund which has been stopped since last February nor the Medical After Care Fund Aid. These circumstances have forced me to leave my native place.

According to your instructions I have approached the Bombay City Soldiers Board, but to my ill luck I have been told that I am not entitled to have any benefit from this Board as I come from Madras Presidency.

Under the circumstances, most respectfully, I beg to request you to be kind enough to consider my case in my favour and send the amount by money order to my address, for which act of kindness I shall ever remain grateful.

I beg to remain,
Sir
Yours most obediently.

Sir,

Sub: Medical after care Fund — Rupees fifteen — Sanction made for six months — District medical officer — Recommended for the same, Monthly grant of Rs 15/- was given to me. before the lapse of this period of six months

Ref. — Nil.

Her petitioner humbly begs to state as follows:—

1. That he has come to mangalore on 29th Nov. 1930 from Bombay and the petitioner is not now getting the above-said medical after care fund

2. That he got the grant of Rs 15/- regularly during the period of six months. After the lapse of this period, again the District medical officer recommended for this grant for another period of six months.

8/12

3. That the District medical officer recommended this in the month of June; So far, the petitioner has not yet received the same. Hence the sum is the arrears of six months and the same grant is kept unpaid.

4. That the petitioner is suffering lot of difficulties and hardships and the officials knows well of those difficulties

P T O.

that the petitioner had been to Bombay for change of climate and when he had been to Bombay, the amount Rs 90/- had come to this office for delivery to him. But during my absence, the amount of Rs 90/- was sent back to the Sender and the petitioner is seriously handicapped and put to a lot of inconvenience and difficulty.

Sir is not a fact. The amt. is with DSS Mlr. 11/12

6. That the petitioner has already submitted the medical certificate granted by City Soldiers Board at Bombay to be forwarded to the above office.

DSS Mlr to asked to get them from Bombay

7. That the petitioner humbly requests that the District Employment Officer may kindly arrange that the petitioner gets this grant soon in a lump sum that is in arrears, as the petitioner is badly in need of the same as he is under medical treatment. If this amount is not given in time, it will surely be an impediment and the petitioner will not be able to get proper treatment. The petitioner cannot get the necessary articles of diet such as milk, fruits etc., for hand-loan or other kind of loan. Cash transaction only will enable the petitioner to get on with the medical treatment. In the hand of the petitioner, there is no coin at all. And in view of the facts above difficulties, the petitioner may be granted the arrears of the same soon.

Yours faithfully

To be dealt with in the pending Current as the Grant amt. has not yet been disbursed.

1. PAYEE'S CONSOLIDATED STAMPED RECEIPT. - this office last letter No.Som/Mac/50 dated 4-1-51 may kindly be perused in this connection. (Copy submitted) Page 3

2. UTILIZATION REPORT TO THE EFFECT THAT THE GRANT HAS BEEN UTILIZED PROPERLY.

3. MEDICAL OFFICER's REPORT AS TO THE HEALED CONDITION OF THE EXSERVICEMAN AT THE EXPIRY OF THE GRANT. - Copy of letter No. MC.188/50 dated 3-1-51 from the District Medical Officer, South Kanara, is enclosed herein. (Page 5)

4. PROFORMA FOR RENEWAL:------- Proforma in duplicate duly filled and recommended for renewal of grant is enclosed. (Page from 6 to 9)

As reported in letter No. Som/Mac/50 dated 4-1-51 the individual is too poor to buy any medicines or tonics in advance and hence he was not able to produce any vouchers. He is in difficulties now and calls at this office practically every day to find out whether the previous grant of Rs. 90/- could be paid to him. He informs me this will enable him to utilize towards good food and diet and assures that henceforth he will produce promptly the required vouchers in support of his future expenses. In view of his poor condition I strongly recommend that the conditions of the grant prescribed in his case may be waived and permission given to disburse the pending grant as a special case to him.

This strong recommendation is made, because he is a leprosy patient.

Re.Ex.No. 52514 Tindal Somya Poojary.

I have to state that I have examined Tindal Somya Poojary to-day and find that he is suffering from Neural Leprosy. He has no active signs of symptoms of the disease now. However he has deformatives due to neural leprosy which is my opinion, he requires general treatment, good food and tonics like vitamin B injections for at least six months more.
